Support for Artists
FY2025
NYSCA SUPPORT FOR ARTISTS

The New York State Council on the Arts recognizes that artists are at the center of the creative endeavor. NYSCA is committed to providing opportunities for artists, at all stages in their careers, to continue to develop and complete new work. NYSCA Support for Artists seeks to:

- Enhance the vibrant and diverse artistic voices of New York State-based art makers.
- Invest in projects that represent significant growth in the artistic development of individual artists.
- Strengthen the relationships between individual artists and the artistic goals and mission of the sponsoring or commissioning organization, as applicable.

For FY2025 NYSCA will offer the following funding opportunities for artists.

**NYSCA-NYFA Artist Fellowship Program:** For over thirty years, NYSCA has partnered with the New York Foundation for the Arts (NYFA) to offer fellowships to artists in fifteen different disciplines. Since Fellowships are not tied to a particular project but rather an acknowledgement of an artist’s creative body of work, there is no eligibility issue with NYSCA-NYFA Fellows also applying to NYSCA Support for Artist Opportunities. For more information on this year’s areas of support and how to apply click here: [https://www.nyfa.org/awards-grants/artist-fellowships/](https://www.nyfa.org/awards-grants/artist-fellowships/).

**NYSCA supports artists in design fields in partnership with the Architectural League:**
Independent Projects requests come from fields including architecture, landscape architecture, historic preservation, community-centered design, fashion, graphic, industrial, and interior design. For more information click [here](#).

**For additional grant opportunities, we invite you to investigate artists opportunities through our Statewide Regrant Programs:** [https://arts.ny.gov/nysca-regrants-and-partnerships](https://arts.ny.gov/nysca-regrants-and-partnerships).

**NYSCA Support for Artists:**
For FY2025, artists may apply for a grant to create new work, via a sponsoring organization, by selecting from the following artistic areas via dropdown menu in the application portal:
- Choreography Commissions
- Composer Compositions
- Film, Media, and New Technology
- Folk and Traditional Arts
- Interdisciplinary
- Literature
- Theater Commissions
- Visual Arts

**Funding Amounts:** Awards will be $10,000.
While no matching amount is required, if the applicant proposes work that will require more resources than this grant can offer, the applicant should explain how they will be able to complete the work.

For questions, please contact Program Staff in the funding area most aligned with your artistic work. View contact information here: https://arts.ny.gov/contact.

NYSCA MISSION AND VALUES

Mission

To foster and advance the full breadth of New York State’s arts, culture, and creativity for all.

NYSCA Values:

- The vast diversity of New York State communities.
- Equitable engagement with the arts for people of all ages and inclusive of all backgrounds.
- Access to the full breadth of arts and culture.
- The vital role that arts and culture play in the health of the economy and people.
- The constant evolution of artmaking and creative practice.
- Creativity as a community asset.

Commitment to Underrepresented Communities

NYSCA embraces the widest spectrum of cultural expression and artistic pluralism and encourages funded organizations to demonstrate a holistic and comprehensive commitment to DEIA (diversity, equity, inclusion, and access). NYSCA interprets underrepresented communities as including, but not limited to, African American/Caribbean, Latino/Hispanic, Asian/Pacific Islander, Middle Eastern, Native American/Indigenous communities; people in areas with scarce cultural resources (including rural communities); disabled communities; LGBTQIA communities; neurodiverse communities; underserved older adults; veterans; low income and homeless populations; as well as justice-involved juveniles and adults.
INELIGIBLE ACTIVITIES AND COSTS

New York State law and NYSCA policy restrict the types of activities and expenditures that NYSCA may fund. NYSCA is unable to award funding for the following:

- Costs that are funded by another government or private grant or loan source, including but not limited to the Payroll Protection Plan (PPP) loans and Shuttered Venue Operators Grant (SVOG) programs from the Federal Small Business Administration (SBA).
- Accumulated deficits and debt reductions.
- Activities not open to the public, for example, activities restricted to an organization’s membership. Funded activities must be open to the public and promoted as such. “By Appointment Only” does not fulfill this requirement.
- Competitions and contests.
- Components of an organization’s budget that are not directed towards programs in New York State.
- Entertainment costs (including food, catering and refreshments) for programs, receptions, openings, and fundraising benefits/events.
- Major expenditures for the establishment of a new organization.
- Costs of lobbying activity.
- Operating expenses and fellowships at professional training schools that are not open to the general public.
- Administrative overhead or fees charged by an affiliated institution or university.
- Operating expenses of privately-owned facilities (such as homes and studios)
- Out-of-state travel expenses.
- Programs of public-school districts or their components or affiliates.
- Programs that are essentially recreational, rehabilitative, or therapeutic.
- Programs of New York State agencies or departments.
- Programs of public colleges and universities except under limited circumstances. Entities with close public college or university affiliations will be examined on a case-by-case basis to determine eligibility. Please review and complete this form and submit before the application deadline to Megan White, Deputy Director of Programs.
Additionally, NYSCA is unable to support the following in this category:

- Projects that have already received NYSCA funding.
- Artists or work not specified in the application. Support will only be provided towards the work and lead artist specified in the application.
- Requests from individuals currently on the Board or in Artistic/Administrative Staff leadership roles of the sponsoring organization.
- Student projects or applicants enrolled as full-time students at the time of application are not eligible for support.
- Requests from Limited liability companies (LLC), limited liability partnerships, business corporations and other for-profit business incorporation types.
- Projects that are primarily part of a college/university or K-12 school curriculum.
- Artists as principal personnel on more than one project (you may only apply once)
- Work outside of the grant period (January 2025 – December 2025).
- Artists applying for NYSCA Support for Artists cannot apply for support the following year even if no funding was received. An application for the same project cannot be submitted in the following year, even if the principal artist is different. This allows NYSCA to reach a greater number of artists and projects with its limited funds.
- **An artist may apply either to NYSCA Support for Artists OR NYSCA Statewide Community Regrants, but not both, in the same grant year. More details:** [https://arts.ny.gov/nysca-regrants-and-partnerships](https://arts.ny.gov/nysca-regrants-and-partnerships).
SPONSORING ORGANIZATIONS

As NYSCA cannot make grants directly to individuals, each applicant must be sponsored by an eligible New York State nonprofit organization. Grants are awarded to the sponsor, which then directs the funds to the artist.

Eligible sponsors are nonprofit organizations either incorporated in or registered to do business in New York State, with a location in New York State and recognized as tax-exempt under the Internal Revenue Code section as a 501 (c) 3; or a State- or Federally-recognized Native American nation; or a unit of local or federal government in New York State. Such organizations must be fully registered in the New York Statewide Financial System (SFS). More information is available here.

Sponsors may serve as fiscal agents and limit their role to receiving, disbursing, and reporting on grants. The sponsor may alternatively provide additional fiscal, administrative and production services to the artists they sponsor.

Sponsors other than service organizations may request support for only one creative grant in each area of support per year. Please contact NYSCA staff to verify eligibility as a service organization.

SPONSOR RESPONSIBILITIES

- Understanding NYSCA criteria and relevant guidelines.
- Executing a letter of agreement with the artist that clearly outlines the administration of the grant and defines mutual responsibilities.
- Certifying lead artist named in application is a current New York State resident.
- Certifying lead artist named in application did NOT apply last year for a NYSCA Support for Artists Opportunity
- Not imposing a fee on artists for sponsoring their applications. However, an administrative fee of up to $500 of the grant award may be charged.
- Ensuring work for which funding is sought will occur within the appropriate contract period.
- Consulting with the artist regarding project eligibility and conveying all relevant NYSCA application information, including deadlines and online access details.
- Submitting applications with all required supporting information.
- Informing the artist of funding decisions before the expiration of the appeals period
- Receiving and disbursing granted funds.
- Ensuring that the artist(s) named in the application receive the contractually specified funds.
- Issuing 1099 IRS Tax forms as appropriate. These grants are considered earned income to the recipient. Note: Grant award is to be paid to the lead artist named in the application, not a Limited Liability Company (LLC), Limited Liability Partnership (LLP), or business corporation.
- Submitting a final report on the expenditure of the grant funds no later than 60 days after the contract period.

The FY2025 NYSCA Application Manual (click here to access):

1. Review NYSCA’s general requirements.

For proof of residency, two different, current documents from the list below must be provided. All documentation must contain the artist’s name and home address. with the artist.

**SPONSOR STEPS**

Below please find an overview of the necessary steps of the application process for becoming a sponsor. Some steps require approval and validation from New York State, so we recommend starting as early as possible.

You can read about these steps in further detail in the [Application Manual](#) and on our [website](#).

1. **Determine Eligibility**

   **Is the sponsor an LLC?**

   Organizations that have an LLC designation are not eligible to apply to NYSCA either directly or through a fiscal sponsor. This includes [Limited Liability Company (LLC)], [Limited Liability Partnership (LLP)], or [business corporation].

   **Is the sponsor:**

   - A nonprofit organization either incorporated in or registered to do business in New York State, with a location in New York State, and recognized as tax-exempt under the Internal Revenue Code section as a 501 (c) 3; or a  
   - State- or Federally-recognized Native American nation; or  
   - A unit of local or federal government in New York State.

   If the answer to any of these is “yes,” the organization is eligible to be a sponsor.

2. **Prequalify**

   **NEW THIS YEAR:** Sponsors must submit Prequalification applications in the [New York Statewide Financial System (SFS) online portal](#).

   **Returning NYSCA Sponsors:**
   - Log into SFS and **verify your organization’s grant profile information**, including your organization’s address, contact information, and Charities Registration No., are entered correctly.
   - Assign User Roles (if not already assigned)
   - Submit a Prequalification Application in SFS if your organization’s prequalification will expire before the NYSCA opportunity deadline.

   If the Sponsor has previously registered with the Grants Gateway system, their grant profile information, Prequalification Status and Prequalification Expiration must be checked for any necessary account updates in the New York Statewide Financial System (SFS) online portal. **This process EXPIRES ANNUALLY** and new documents must be updated to your Prequalification Application in SFS and approved prior to the application deadline.

   If this is the first time the Sponsor has applied for Prequalification, please continue with the steps below.

   **NEW THIS YEAR:** Sponsors must submit Prequalification applications in the [New York Statewide Financial System (SFS) online portal](#).
New NYSCA Sponsors:
- Register for SFS: Obtain a login.
- Verify and add missing information to your organization's grant profile information, including your organization's address, contact information, and Charities Registration No.
- Assign User Roles
- Submit a Prequalification Application in SFS

For help logging into SFS, adding user roles, or locating your organization’s SFS Vendor ID, contact the SFS Help Desk at helpdesk@sfs.ny.gov or (855) 233-8363.

For additional assistance with the Prequalification process, email prequal@arts.ny.gov.

Please note, NYSCA and the Statewide Financial System are not likely to resolve any issues with a prequalification application less than 7 days before an application deadline.

**Who to Contact with Questions**

For questions, please contact Program Staff in the discipline area most aligned with your request. View contact information here: [https://arts.ny.gov/contact](https://arts.ny.gov/contact). We recommend you submit your questions at least two weeks before the application deadline. (To ensure that fair information is provided to all applicants, we are not able to review written draft application materials.)

For technical questions on applying, contact [help@arts.ny.gov](mailto:help@arts.ny.gov).
Attending information sessions and contacting NYSCA staff is optional. It has no bearing on the review of an application.

For questions on Prequalification in the New York Statewide Financial System, see the “Register and Prequalify in the Statewide Financial System (SFS)” section below.

Q&A Period

NYSCA will post answers to key pertinent questions as received at the following URL up until two weeks before the applicable application deadline. The FAQ document will specify the date of the last revision at the top of the relevant question and will be posted here at: https://arts.ny.gov/FAQforApplicants.

Grant Amounts

NYSCA’s overall funding is determined annually during the New York State’s budgeting process and approved by the New York State Legislature. Previous grant funding from NYSCA does not guarantee support in any succeeding year, and past grant funding amounts are not indicative of future funding levels. Multi-year grants are subject to adjustment by NYSCA each year.

Review the applicable FY2025 Funding Opportunity Guidelines for more information on specific award level ranges. For example, all Support for Artists grants are expected to be $10,000. Actual award amounts could vary depending on the volume and nature of applications received. Review FY2025 Funding Opportunities here.

Grant Eligibility Requirements

To be eligible you must:

• Be Registered and Prequalified in the New York Statewide Financial System at the application deadline. (See the “Register and Prequalify in the Statewide Financial System (SFS)” section below for instructions.)
• Be a non-profit organization either incorporated in or registered with New York State to do business in NYS with a principal location in New York State and recognized as tax-exempt under the Internal Revenue Code Section as a 501(c)3 or a State- or Federally-recognized Native American nation, or a unit of local or federal government within New York State.
• Have your principal place of business located in New York State.
• NOT be a Limited Liability Corporation (LLC).
• Meet any other eligibility requirements set forth in the applicable FY2025 Funding Opportunity Guidelines.

Note: Individuals and unincorporated groups may not apply, but an eligible non-profit organization, known as a fiscal sponsor, may apply on his/her/their behalf in some opportunities. (See the Fiscal Sponsorships section below for more information.)

Grant Period and Multi-Year Grant Awards

We will generally award FY2025 grants for activity that takes place between January 1, 2025 and December 31, 2025. Exceptions are set forth in the applicable FY2025 Funding Opportunity Guidelines. NYSCA awards both single-year and multi-year grants.

NYSCA awards multi-year grants when the panel, staff, and Council of NYSCA agree that a similar level of service or activity will be sustained by the applicant organization over successive years. Multi-year grants represent NYSCA’s agreement to offer successive years of support without requiring a full application and review of the grantee in the succeeding years conditional on NYSCA’s budget appropriation and the applicable contract execution for each successive year. NYSCA reserves the right to change its multi-year grant process during the multi-year period at its discretion, subject to NYSCA’s budget appropriations for the relevant year.
If you have a previously-awarded multi-year grant for FY2025:

You do not need to re-apply to receive the FY2025 grant period award. NYSCA will send acceptance and contracting instructions in June 2024.

You must be Prequalified in the Statewide Financial System (SFS) at the time of payment of a multi-year grant.

Prequalification Applications in modification, review or open status are not considered Prequalified. Units of government and Native nations are exempt from the Prequalification requirement.

You must submit any outstanding, overdue NYSCA final reports.

To be eligible for a new FY2025 Support for Organizations grant, you must decline your previously-awarded General Support, Support for Organizations and/or Project Support grant(s) for the FY2025 grant period before the application deadline for FY2025 Support for Organizations. If you have a previously-awarded General Support, Support for Organizations and/or Project Support grant for FY2025, but prefer to decline those in order to apply for FY2025 NYSCA Support for Organizations, please do the following:

Submit a written notification to the appropriate NYSCA Program staff by the FY2025 application deadline and follow any additional NYSCA instructions issued in June 2024.

Past funding is no guarantee of future funding.

If you do not decline the previously-awarded Support for Organizations and/or Project Support grant(s) by the application deadline, you will not be eligible to submit a new FY2025 Support for Organizations application, and your application for FY2025 Support for Organizations will not be reviewed.

Click here to review the other eligibility requirements in the FY2025 NYSCA Support for Organizations Guidelines, which is available at arts.ny.gov.

The Project Support categories subject to the above guidance are:

- Book & Literary Magazine Publication
- Community Music Schools
- Exhibitions & Installations
- Instruction & Training
- Organizational Capacity Building
- Professional Performances
- Project Support
- Project Support - Community-Based Learning
- Project Support - Pre-K-12 In-School Programs
- Project Support - Presentation
- Public Programs
- Services to the Field
- Workspace Facilities

Having an ongoing multi-year grant or being awarded an FY2025 grant does not disqualify an organization from applying for Capital support.

Fiscal Sponsorships

A Fiscal Sponsor is a non-profit organization incorporated or registered to do business in New York State that applies to NYSCA on behalf of individual artists, unincorporated arts organizations or groups, or semi-autonomous arts organizations housed within a larger institution who cannot directly apply themselves. A fiscal sponsor can also be a State- or Federally-recognized Native nation or a unit of local or federal government. Entities that are LLCs or for-profit corporations, as well as entities that have 501(c)(3) status that would allow them to apply directly are ineligible to be fiscally sponsored.

Individual Artists and unincorporated arts organizations or are not eligible to apply directly to NYSCA. However, unincorporated arts organizations or nonprofits without a 501(c)(3) status may apply through a Sponsor in our Support for Organizations opportunity, and Individual Artists may apply through a Sponsor for a creative grant in our Support for Artists opportunity.

Unincorporated arts organizations or groups may not apply for Capital funding, even through a fiscal sponsor.

Sponsor:
Submits the application, accepts the fiscal responsibility for a NYSCA-funded project, receives and disburses funds related to the grant, ensures that the project is carried out as described, and submits the final report of grant activity.

The Sponsored Artist/Sponsored Group completes the project activity (the Sponsored Request).

If you are a Sponsor Applying for a Sponsored Organization, you will take these three steps to submit an application:

Step 1: Review the applicable Guidelines listed in section 1 to confirm sponsored requests are accepted in the specific funding opportunity and to review requirements. Make sure you are Prequalified in SFS.

Step 2: Send the Guidelines to the Sponsored Organization to complete and return the requested contact information, narrative responses, and support materials. See applicable Guidelines for further instruction. Make sure the Sponsored Organization returns the completed narrative responses and/or support materials to you well before NYSCA’s application deadline.

Step 3: Submit the application online for the sponsored request with the completed materials from the Sponsored Organization.

For Sponsored Requests in FY2025 Support for Organizations, the following requirements apply:

- The Sponsor may not impose a fee for submitting a sponsored application but may charge an administration fee if the application is funded – not to exceed 5% of any actual grant amount. Any fee should be described in the Use of Grants Funds question in the application.

- Sponsor must execute a fiscal sponsorship agreement setting forth the services provided by the Sponsor, any fee to the Sponsor, and the responsibilities of the Sponsored Organization relating to the fiscal sponsorship. NYSCA does not require the agreement to be uploaded in the application but may request a copy for review during contracting.

- The services of the Sponsor are limited to fiscal management of the grant funds, submission of the application and final report, and, at the discretion of the Fiscal Sponsor, publicizing the activity. Following notification of the funding decision by NYSCA, the Sponsor must notify the Sponsored Organization as soon as possible.

- The Sponsored Organization must meet all eligibility requirements of the FY2025 Support for Organizations guidelines (other than the requirement that the Sponsored Organization be Prequalified in SFS).

- NYSCA reserves the right to review the public financial filings and other information of both Sponsor and Sponsored Organization prior to grant payment pursuant to the NYS Vendor Responsibility process.

Application Review Process

Staff Review

Once an organization submits a request, NYSCA’s staff verifies applicant eligibility and priority, and reviews application materials according to the NYSCA requirements set forth above in the applicable Funding Opportunity Guidelines.

Peer Review Panels and the Rating System

Panels are composed of a quorum of at least five panelists and represents a diverse group of professionals from across the State. Each member has relevant and specific expertise. NYSCA accepts nominations for panelists from the general public. To see a list of recent panelists, visit the funding area pages on the NYSCA website at: https://arts.ny.gov/funding-areas.
Each panelist evaluates and numerically rates each request against the criteria in the Funding Opportunity Guidelines. These ratings are then aggregated to one average score for each request. The panels meet with Program staff present and have an opportunity to discuss applications. If you are interested in becoming a panelist, click here: https://arts.ny.gov/panelists.

Based on the ratings for each opportunity, as well as eligibility and priorities, NYSCA assigns recommended grant amounts. Staff also prepares panel comments and shares key panel comments by phone with applicants after decision if requested.

The Council

Led by the Chair, the Council reviews funding recommendations and votes to approve grants. The Council is the ultimate decision maker and retains the authority to agree or disagree with recommendations and propose new recommendations. Upon Council approval of a grant, Cultural Service Contracts are issued to the organizations approved for funding. Committee and Council meetings are announced in advance and made available to the public on the NYSCA website.

Contacting Panelists and Council Members

In order to ensure fairness in the application review process, applicants are strictly prohibited from contacting panelists and/or Council members associated with and/or involved in the activities or affairs of NYSCA in any way to obtain or share information regarding the NYSCA application review process. This includes all activity associated with NYSCA at its main office, including panel discussions, and all communication with NYSCA staff including via email, telephone, or online system.

All inquiries about awards must be communicated to the NYSCA staff directly.

Transparency

The Freedom of Information Law, N.Y. Public Officers Law §§ 84–90, grants the right of access to many public documents, including those of NYSCA.

Grant Award Notice

You will be notified by e-mail of NYSCA's funding decision within 30 days of the Council’s decision. This notification is sent to the e-mail address of the persons then designated as the primary contact on the FY2025 NYSCA Application Portal.

If your organization is awarded a grant: Visit the NYSCA website to find out more information on managing your grant: www.arts.ny.gov/manage-your-grant and https://arts.ny.gov/FAQforCurrentGrantees. These pages include links to the standard New York State contracts terms, additional materials for contracts over $50,000, reporting requirements, crediting NYSCA, and the NYS Vendor Responsibility process. All awards are contingent on your organization’s completion of the applicable contracting steps. NYSCA will provide you with instructions by e-mail after you receive an award.

If your organization is not awarded a grant, you may appeal the Council’s funding decision.

Dissatisfaction with the denial of a grant or with the amount of the grant is not a valid ground for appeal.

One or more of the following are valid grounds for appeal:

- Non-presentation of information: Information known to the Council staff prior to the Council's decision that was not presented and that might have altered the decision
- Misrepresentation of information: Information known to the Council staff prior to the Council's decision that was changed in its presentation and that, if presented differently, might have altered the decision
- Improper procedure: Contention by the applicant that: 1) the review of the funding request by the appropriate panel was biased; 2) the decision by the Council was arbitrary and capricious

Certification

All applicants will be asked to certify the following before submitting a FY2025 application:

You are authorized on behalf of the applicant and its governing body to submit this application. You further certify that all of the information contained in this Application and in all statements, data and supporting documents which have been made or furnished for the purpose of receiving assistance for the project described in this application, are true, correct and complete to the best of your knowledge and belief. You acknowledge that offering a written instrument knowing that the written instrument contains a false statement or false information, with the intent to defraud the State or any political subdivision, public authority, or public benefit corporation of the State, with the knowledge or belief that it will be filed with or recorded by the State or any political subdivision, public authority or public benefit corporation of the State, constitutes a crime under New York State Law.

If you are incorporated outside of New York State, your principal place of business is within New York State.

The funding being awarded will not duplicate or replace any other funds from federal, State, or municipal funding for the same specific cost type and amount for the same period. You acknowledge that you will have procedures in place to prevent duplication of funds and that funds from NYSCA would need to be repaid if it is determined that our assistance is duplicative.

Your organization is currently Prequalified in the Statewide Financial System (SFS) portal. If not, you will update the documentation in your SFS Prequalification Application in order to complete your Prequalification
prior to the application deadline for this funding opportunity.

Submitting a timely interim and/or a final report on the usage of grant funds is a requirement of a NYSCA grant. You certify that your organization is current on all grant reports.
